In the coming years, the institution intends to incorporate these issues in project works assigned to final semester</p>	

students. Being an affiliated institution, there is very limited scope to our institution to offer multidisciplinary/interdisciplinary courses. There are the practical difficulties in providing the integration of humanities with STEM, as we offer exclusively Arts and Commerce programmes. Of course, all the programmes offered are choice based. But the choice is restricted to specific programmes. A student pursuing BA (History), for example, cannot opt any courses from BCom programmes as it is not permitted by the affiliating university and the government as well. Similarly, In case of multiple entry and exits, the institution has no scope in the existing affiliation structure.

#### 16. Academic bank of credits (ABC):

- The institution has established the MoUs and linkages with the neighbouring institutions for faculty and students exchange and capability enhancement. In the assessment period, i.e. from 2016-17 to 2021-22, the institution has established 09 linkages and 02 MoUs.
- The institution motivates the faculty members to undergo refresher courses, orientation programmes, faculty development programmes, seminars and workshops which enable them have new insights in connection with design of new curricular and pedagogical approaches. It helps them to write the self-instruction material, e-contents, etc. which are displayed on the HEI website.
- The HEI is not yet eligible for the registration under Academic Bank of Credits.

#### 17. Skill development:

- Under skill development, considering the local needs, the institution is running successfully a training programme in bee-keeping. Any student from our institution pursuing graduation can enrol to this course.
- The institution provides the value based education by commemorating the national days and birth-death anniversaries of freedom fighters and social reformers such as Teachers Day, Yoga Day, Women's Day Lokmanya Tilak Death anniversary, Annabhau Sathye birth anniversary, Dr A. P. J. Abdul Kalam birth anniversary, Rajarshi Shahu birth anniversary, etc.
- In the present set up, there is no space to offer skilling courses through online/distance mode.

#### 18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

- Being an Arts faculty, the institution offers the programmes

such as BA in Marathi/Hindi/English.

- The medium of instruction to offer all the programmes is primarily the regional language i.e. Marathi.
- For Commerce faculty, the subjects such as accountancy, statistics are taught through English and Marathi.
- To promote the Indian languages, the institution motivates the students to publish the wallpaper regularly dedicated to different issues. Students are motivated to undertake the final semester projects dedicated to compilation of linguistic features of local dialect of Marathi. One faculty member has submitted the minor research project to the UGC on the local dialects of Marathi found in the nearby villages.
- Indian art and culture is promoted through students' participation in the university level events such as youth festival. The institution participates in the events such as folk-song and folk dance. Institution celebrates the events such as the Traditional Day on the occasion of Makar Sankranti where students perform a cultural programme.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

- The institution has cultivated a practice of defining the Course Outcomes and Programme Outcomes. When new syllabi are introduced by the affiliating university, the concerned departments conduct the meetings with the faculty members. In such meetings, they discuss about the course outcomes and programme outcomes. After such meetings, every teacher, considering his/her teaching workload prepares the course and programme outcomes. The document duly signed by the concerned teacher, HoD and the Principal is then submitted to the IQAC. All such Cos and POs are displayed on the HEI website.
- The course outcomes and programme outcomes are measured by different means. Results of the university exams is a major means to evaluate the COs and POs. After every semester, every department prepares the result analysis reports and submits the reports to the IQAC. All the analysis of result details is discussed in the IQAC meetings. The final semester result analysis reports and the list of meritorious students is displayed on the HEI website. Besides the university exam results, the COs are measured through the internal exams and surprise tests conducted from time to time by the concerned departments.

#### **20.Distance education/online education:**

- Prior to the unprecedented lockdowns, the institution relied mainly on the conventional pedagogical tools such as use of

BBs, GDs, Q&As, field trips, tutorials, home assignments, etc. It was complemented with the use of LCD projectors. So when the lockdowns were announced, the first reaction was how to cope up with the new teaching environment. The usual way was to start the online teaching with the help of the platforms such as Google Meet, Zoom and Webex. But the experience was somewhat disappointing due to social constraint. Parents were reluctant to give mobile phones particularly to their daughters. So the institution has to design some new strategies along with the day-today online teaching. The institution started its YouTube channel and a blog. Teachers uploaded their videos related to curriculum on the college channel. Similarly, the study material designed by the concerned teachers was uploaded on the college blog. This is how students, particularly girl-students could avail these resources as per their convenience. The students were brought together under the umbrella of the institution's Telegram Channel. All the institutional level activities including the schedules of the online exams were communicated through the Telegram Channel. The institution's Mentor System too worked effectively during the lockdown periods. In the post-lockdown period, students returned to the classrooms where their doubts about the resources were solved. This is how blending of online/offline mode was possible.

**CURRICULAR ASPECTS****1.1 - Curricular Planning and Implementation**

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

1. Academic Calendar: At the beginning of an academic year, the institution plans its academic calendar. Utmost care is taken while preparing the calendar so that all the different activities related to curriculum delivery are incorporated.

2. Departmental Calendar: Every department prepares its separate academic calendar which is in tune with the institution's Annual academic Calendar. It reflects the planning meant for the execution of curricular, cocurricular and extra-curricular activities to be carried out.

3. Syllabus: The syllabus prepared by the affiliating university is displayed on the university website. In the same manner, the syllabus exclusively related to the subjects offered by the institution under particular programmes is displayed on HEI website. Similarly, the hard copies of the prescribed syllabus are made available in the library.

4. Teaching Plans: Every teacher prepares the individual Annual Teaching Plans at the beginning of every academic year and submits it to the IQAC.

5. Syllabus Completion Report: At the end of the academic year, every teacher submits the Syllabus Completion Reports to the IQAC.

6. Time Table: There is a separate Time Table Committee which prepares Time Table. The Time Table is prepared taking into account the workload of every teacher.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar is prepared at the beginning of the academic year in consultation with the faculty and the support staff. All departments prepare their departmental calendars showing their planning for co-curricular and extra curricular activities as they are reflected in the Academic Calendar. Considering the departmental calendars, and the meeting with the heads of the different committees formed, a rough draft is prepared by the Academic Calendar Committee. All the co-curricular and extracurricular activities are carried out taken into account the Academic Calendar. Besides the regular university exams, the institution conducts the internal exams and the surprise tests. Before the actual internal exams, the Exam Committee prepares the Time Table for it. It is prepared well in advance, so that students should get sufficient time for preparation. For Surprise Tests, there is no specific schedule. So it is not reflected in the academic calendar. Teachers conduct these tests during their lectures. At the end of the academic year, Surprise Test Reports are submitted by the concerned teachers to the Exam Committee.

### 1.3 - Curriculum Enrichment

#### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

- The syllabi designed by the Board of Studies of the affiliating university takes utmost care to incorporate the issues related to professional ethics, gender equality, human values, environment and sustainability, etc.
- As per the orders of the Supreme Court, the affiliating university has made the Environmental Studies course compulsory for the part II students.
- For part I students, there is a compulsory non-credit course entitled "Election, Democracy and Good Governance" which deals with the issues of citizenship, rights and duties, and other civic responsibilities.
- For part I students, there is one more compulsory non-credit course entitled "Yoga and Physical Management" which deals with the issues like health and stress management.
- For part III students, there is a compulsory non-credit course entitled "Constitution of India".
- All the departments in the institution have identified the cross cutting issues as reflected in the concerned curriculum prescribed by the affiliating university.
- Observation of birth and death anniversaries of national personalities, celebration of Independence Day, Republic Day, Traditional Day, organization of different workshops, etc. are some of the prominent activities of the institution for gender sensitization and inculcation of human values.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The learners who have secured less than 45% in the previous exam are identified as slow learners. The learners who have secured more than 60% marks are identified as advanced learners. The list of slow and advanced learners is communicated to the central library and IQAC by the concerned department.

- Open access in Library: The librarian is informed about the advanced learners. These learners are provided open access in the library. The concerned teachers recommend the learners a list of reference books and journals for further reading.
- Deputation to attend workshops related to the curriculum: The concerned departments depute the students to attend the workshops organised in the neighbouring colleges.
- Advanced learners are motivated to solve the previous question papers.
- For slow learners as well as advanced learners guest lectures are organised frequently in the institution.
- Continuous internal evaluation: Since the academic year 2015 - 16, the institution is conducting the CIE exams.
- Surprise tests: Every department conducts a surprise test on specific topics.
- Study tours: Assuming that the learners will understand the syllabus effectively through experiential learning, the departments organise field trips and study tours regularly.
- E-resources are provided for advanced learners through the website of the institution.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

For enhancing the learning experiences, the institution has adopted multiple student centric methods. They are as follows:

- **Project works:** For students, during the Semester VI, there is a project work for internal evaluation. For these projects, the teachers recommend the projects which are in tune with the prescribed syllabus. Similarly, there is a project work for B. A./B. Com. Part II students for the course of the Environmental Studies.
- **Seminar presentations:** For B. A./B. Com. Part III students, during the Semester V, there is a seminar presentation for internal evaluation. The schedule for the presentation is conveyed to the students. Well prepared students deliver their presentations.
- **Organization of Study Tours:** For experiential learning, the departments organize study tours every year. Through these study tours, the students are exposed to the real life experiences.
- **Field Work:** The Sociology students are assigned the field work where they visit settlements of nomads and make a survey of their way of living.
- **Wall Paper:** As stated in the Academic Calendar of the institution, the respective departments publish their wallpapers. Every department submits its annual wallpaper report to the IQAC.
- **Use of flipped classroom** by making use of e-content prepared by the teachers.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

- There are three classrooms enabled with LCD projectors. Similarly, there is one LCD projector in the seminar hall. The teachers deliver the lectures using power point presentations. The YouTube videos related to the curriculum are screened in the classrooms. Every department is allotted a specific time slot to use these classrooms. The arrangement is also reflected in the institution's academic calendar. At the end of the academic year, the teachers submit the ICT use reports to the IQAC.
- Some important power point presentations are uploaded on the institution's website.
- Some important video links are shared on the institution's website.
- There is a special button of e-resources on the institution's website. The details of the resources are communicated to the students through the college Telegram channel.
- As the number of students is limited in Part III classrooms, the teachers make use of the personal laptops.
- In a computer lab, there are 13 computers. These computers are also used for sharing of study material and syllabus.
- There is a dedicated YouTube channel run by the college. Along with the videos related to the extra-curricular activities/extension activities, the lectures delivered by the teachers are uploaded on this channel.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

- For the final evaluation, for part III students there is internal assessment (40 marks theory + 10 marks internal assessment) for semester V and semester VI. For semester V, there are seminar presentations. For semester VI assessment, there is a project work. The guidelines of seminar presentations and project work submissions are conveyed to students well in advance. The schedule of seminar presentations and project work submissions is displayed on the Notice Board.
- Since the academic year 2015-16, the institution has introduced the CIEs (Continuous Internal Evaluations). The students are informed about the nature of CIEs during the welcome ceremony which is organized at the commencement of the new academic year. The tentative schedule of the CIEs is reflected in the institution's academic calendar which is displayed on the notice board and the institution's website as well. The final schedule of the CIEs is displayed on the notice board before the commencement of the CIEs.
- Besides the CIEs, every department conducts the Surprise Tests. The surprise tests are based on the particular units. At the end of the academic year, every department submits annual report of the conducted surprise tests to the IQAC.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

In order to address examination related grievances, there is a two-

**level mechanism: I) Central Mechanism at University Level:**

- All semester examinations are centrally conducted by Shivaji University, Kolhapur. The BoE, Shivaji University Kolhapur has worked out an elaborate mechanism to deal with students' grievances.

**II) Evaluation Grievances at college level**

- A) Pre-Exam: Semester I and II examinations are conducted by the institution and the assessment work is also done by the faculty of the institution. The grievances regarding these examinations are addressed by the institution. e.g. The grievances related to Hall Tickets, wrong entry of courses, wrong entry of students' names, wrong entry of exam centers etc.
- B) During Exam: Some students find their seat numbers missing in examination hall, some arrive late, some fail to carry Hall Tickets and Identity Cards with them, some face health issues - these issues are resolved by the Principal, Senior Supervisors. Sometimes students expect better seating arrangements, and some physically challenged students have their own requirements, these issues are resolved immediately.
- C) Post-Exam: After the University results are declared, the statements of marks are provided to students and if there are any grievances by the students, they are forwarded to the University.

### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The institution believes that evaluation of the attainment of programme outcome is a key to assure the quality enhancement. So the institution has worked out the methodologies to check the attainment of Programme Outcomes and Course Outcomes. They are as follows:

- 1) Feedback System and Students Satisfaction Survey:

The feedback from the following stake holders is generated annually :i) Students, ii) Parents (up to 2016), iii) Employers, iv) Alumni, v) Teachers. The feedback is mainly concerned with the curriculum details. The feedback analysis and Students Satisfaction Survey help in understanding the attainment of Programme Outcomes.

- 2) Result Analysis:

Every year after the semester exam results are declared, the HOD's conduct departmental meetings in which the result analysis is worked out on the following lines.- Total Students appeared, pass and fail percentage, distinction, first class etc. The practice of result analysis helps in understanding the attainment of Programme and Course Outcomes.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

- To pursue the vision and mission statements of the institution, there is a proper coordination between the management and the institution.
- It is through the College Development Committee (CDC) and the IQAC, the management is informed about the developments of the institution. The CDC and the IQAC evolve the strategies for the overall development of the institution after consulting the management. A great care is taken to incorporate each and every stakeholder in building the organizational culture.
- Next to the CDC and the IQAC, there are statutory committees to look into the functioning as proposed by the affiliating university. The committees are formed as per the guidelines of the statues of the affiliating university and due weightage is given to teachers and the support staff in these committees.

- Next to the statutory committees, there are other committees formed by the institution for the day today working which includes committees where students too have given the representation.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

- At the apex level, there is a Management Council which plays crucial role in pursuing the vision of the institution.
- Next to the Management Council, there is a College Development Committee (CDC). It looks after the activities such as creation of new teaching and administrative posts, approval of financial statements, review of value-added courses, encouragement to research culture and extension activities, etc.
- Along with the CDC, there is the Internal Quality Assurance Cell (IQAC). IQAC looks into the issues such as feedback analysis, result analysis, participation in AISHE and the state government's Management Information System, updating the website, and submission of the annual reports to the NAAC, Bangalore.
- Next to CDC and IQAC, there are the statutory committees such as Library Advisory Committee, Purchase Committee, Students' Council, etc.
- In CDC and IQAC as per the guidelines due weightage is given to the teachers and the administrative staff.
- For day-today functioning, there are some other committees such as admission committee, Academic Calendar and Time Table Committee, Lead College Workshop committee, Cultural Committee, NSS Committee, Orchid Nature Club, Website Development Committee, etc. In these committees, along with the teachers and administrative staff, students too have given the representation.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

As per the Perspective Plan, under the head "Teaching - Learning and Evaluation", it was decided to run the existing mentor system of the institution very meticulously. After consulting the IQAC, the Mentor Committee of the institution designed the forms. A care is taken to incorporate as many personal and academic details of the student as possible in the forms. Once the admission procedure is over, the Mentor Committee allots the first-year students to the mentors. The same students are carried forward to their mentors in the consecutive years. The students are asked to submit the printed forms. Mentors verify the details in the forms. The functioning of the Mentor System in the institution is communicated to the students at the time of the Welcome ceremony. Students consult their mentors time to time for their problems related to on and off the campus issues. The mentors track their academic record consistently until the students have their admission in the college. At the end of the academic year, every teacher submits the report to the Mentor Committee, and the Mentor committee submits the cumulative report to the IQAC. The master copy of the Mentor-Mentee is maintained by the Mentor committee.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

**Performance Appraisal For Teachers:** There is a prescribed appraisal system named as Annual Self-Appraisal Reports (ASARs)-which is recommended by the University Grants Commission, New Delhi. Under this system the annual self-appraisal forms are submitted to the Principal through concerned Head of the Department. The principal and the HoDs verify the claims made by teachers on the basis of the documents submitted by the teachers. After the scrutiny of the reports and documents, the principal awards grades to the teachers. These forms are finally considered as important document for the promotion of the teachers under Career Advancement Scheme. The forms are prepared as per the guidelines of the affiliating university.

#### Performance Appraisal of Non-Teaching Staff:

The performance of the non-teaching staff is made by collecting information from non-teaching employees in a format provided by the Government of Maharashtra.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC reviews the teaching learning processes, structures and methodologies of operations and learning outcomes at periodic intervals as per academic calendar and perspective plan. The IQAC has given emphasis on learner centric approach regarding teaching learning and has designed the policy to assess and evaluate it regularly. Accordingly, it supported and guided the faculty during last few years. Teaching, Learning activities are improvised and modified after taking the review, suggestions from stakeholders. The suggestions are implemented as per the changing needs. The IQAC has designed core values such as:

- Serving the cause of social justice, ensuring equity and increasing access to higher education
- Skill development of students
- Inculcating a value system among students
- Quest for excellence
- Promotion to research and scientific temperament

To achieve the learning outcomes, the IQAC periodically reviews teaching learning process and suggests gradual and regular expansion, upgradation and addition of the requisite IT support, equipment and infrastructure.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

**01:Mentor System Objectives:**To monitor the overall development of a student

**Context:**Radhanagari tehsil being located on the outskirts of forest zone, many learners are the first-generation learners. So, it becomes challenging to control the drop-out rate. **Practice:**Once a student is enrolled, he/she is allotted to respective mentor. The mentor records all his/her background in prescribed proforma. The mentor tracks the record of the mentee till the mentee is taking education in the institution. **Evidence of success:**A greater number of students appear for final exams **Problems encountered and resources required:**It is difficult to convince the parents to continue the education of girl-students.

**02:ICT for Teaching –Learning Objectives:**To enrich students' teaching-learning experience through use of e-resources **Context:**Due to pandemic, it was not possible to conduct the physical classes. And, in a remote area like Radhanagari, it was not possible to conduct the online classes. **Practice:**The institution developed its dedicated blog for e-resources. The teachers were asked to design their own e-resources. The eresources were uploaded on the blog regularly. **Evidence of success:**Despite the lockdown situation, students' teaching-learning activity was not hampered.

**Problems encountered and resources required:**Requirement of smart phone is the major problem.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The institution has its well-defined core values. Institution's one of the core values is "Inculcating a value system among students" through which the institution aspires to inculcate the universal values among students such as equality, solidarity and respect for Nature. In tune with the aforementioned core value, the Orchid Nature Club of the institution plays a significant role. The Nature Club organises various activities throughout the year. The planning of the activities is reflected in the academic calendar. The experts in the field of environment are invited to guide the students. At the commencement of the new academic year, the students are appealed to become a member of the club. A precaution is taken to admit new students every time. Since many of the activities are organised in the reserve forest zone itself, the intake capacity of the club is restricted to forty. Tree plantation on the college campus, collecting of plastic debris in the forest zone, study tours, poster presentation, slide show, surveys etc. are the regular activities of the club. Through the nature club, the institution organises different workshops related to environment issues.
