**Syllabus for Semester System**  
**Bachelor of Arts, Part-II, History**

**1) TITLE:** World Revolutions-I & II

**2) YEAR OF IMPLEMENTATION:** Revised syllabus will be implemented from June 2014 onwards

**3) OBJECTIVE OF THE COURSE:**

The primary objective of the course is to introduce the students to the important events which have happened in the world in modern times. These events which were revolutionary in character had a profound impact on the making of the modern world. They brought about sudden big changes not only in the country in which they happened but also the world in general. Most of them left a lasting effect on the thought and the socio-political and cultural conditions of mankind. The course has been framed to make the students aware of the change and impact of these revolutionary events.

**1) TITLE:** Freedom Struggle of India-I & II

**2) YEAR OF IMPLEMENTATION:** Revised syllabus will be implemented from June 2014 onwards

**3) OBJECTIVES OF THE COURSE:**

The course has been designed to make the students aware of the events of India's freedom struggle and contribution of the freedom fighters to the making of modern India. The India in which we live in today owes a lot not only to the sacrifices made by freedom fighters but also to the institutions they created and the values they cherished. In short, modern India owes a lot to the legacy of India's freedom struggle. This course will help the students to understand the major events of India's freedom struggle, its legacy and its contribution to the making of modern India.
